A FIXTURE IN BAY AREA CONSTRUCTION SINCE 1992

PROVIDING ADVANCED CONSTRUCTION SERVICES

We at W.G. Fritz Construction strive in providing the most cost-effective answers that will enable us to complete each project efficiently and on time. Our expertise focuses on the construction of various hi-tech manufacturing companies, property management corporations and various government entities. Approaching each project with an equal attention to detail has allowed us to build a variety of projects ranging from music studios to restaurants to clean room laboratories.

Backed with over three decades of experience in the Bay Area, we implement high-quality construction with nothing but total customer satisfaction.

We succeed by working hard to get the job completed with top-level performance that will ensure us your repeat business
